DOCUMENT B

GENERAL CONDITIONS

1. SITE EXAMINATION – Prior to submitting its bid, the Contractor shall be responsible for having ascertained all relevant local conditions such as location accessibility conditions under which the work is to be performed.

2. NO ORAL AGREEMENTS - No oral agreement or conversation with any officer, agent, or employee of the County, either before or after execution of the Agreement shall affect or modify any of the terms or obligations contained in the Contract Documents.

3. APPLICABLE LAWS AND REGULATIONS - The Contractor shall comply with all laws, ordinances and regulations applicable to the work. This includes all environmental regulations. If the Contractor ascertains at any time that requirements of this work are at variance with applicable law, ordinances, regulations or building code requirements, he shall promptly notify the County; and shall not proceed with the work in question, until the County has had an opportunity to determine the responsibility for the variance.

4. LICENSES AND PERMITS - The Contractor, acting in the name of the County, shall obtain and pay in full for all licenses, permits, inspections, inspection certificates and similar documents required to be obtained from any authority having jurisdiction over any part of the work. The Contractor may be required to submit all of these documents to the County.

5. ACCESS TO THE WORK - The County and its representatives shall have access at all times to the work for purposes of inspection or other matters; and the Contractor shall provide proper facilities for such access.

6. CONTRACTOR WORK HOURS AND SCHEDULING - No work of any kind shall be performed on the project site outside of the regularly established working hours (Monday to Friday, excluding County holidays) without the knowledge and prior written approval of the County.

Full cooperation between the Contractor and the County Project Manager, or his/her staff, will be necessary to complete project properly and on time. The Contractor shall provide the County Project Manager with a daily schedule of activities so the County Manager can plan accordingly.

7. INSPECTION OF THE WORK - All material and workmanship shall be subject to inspection, examination, and test by the County at any and all times during manufacture and/or construction and at any and all places where such manufacture and/or construction are carried on. The County shall have the right to reject defective material and workmanship or require its correction. If the work is be specially tested or approved, the Contractor shall give the County sufficient advance notice of its readiness for inspection and the date fixed for such inspection. If any work should be covered, without proper inspection and without approval or consent of the County, it shall be uncovered for examination at the Contractor's expense.

8. INSPECTOR (Clerk of the Works) - The County may employ an inspector, who will act as a direct representative of the County, and who shall provide full-time and continuous personal supervision and inspection of the work. Such supervision and inspection shall not, in any way, relieve the Contractor from responsibility for full compliance with all of the terms and conditions of the Contract Documents, nor be construed to lessen to any degree, the Contractor's responsibility for providing efficient and capable superintendence as required. The inspector is not authorized to make changes in the Contract Documents, nor shall his/her approval of work and methods relieve the Contractor of responsibility for the correction of subsequently discovered defects.

9. ARCHITECT – If there is a Project Architect he/she shall have general supervision and control of the work in all phases. The Architect shall determine the amount, quality, acceptability and fitness of all parts of the work, interpret the specifications, drawings, and all other Contract Documents, and decide all questions pertaining to the work and shall be the final arbitrator thereof. The Architect shall have authority to stop the work whenever, in his opinion, the terms and conditions are not being fulfilled or the work is not being executed in a proper manner. The Architect shall be the final authority in determining the amount of work satisfactorily completed and the amount of money due during the progress of construction.

10. SEQUENCE OF THE WORK - Prior to starting construction, the Contractor shall submit to the County, for approval, a work schedule which shall show the estimated dates that Contractor plans to be working. The County reserves the right to alter the Contractor’s schedule to prevent excessive public nuisance or to expedite construction of specific items. No portion of the work will begin without giving two working days prior written notice to the County. The Contractor is advised that most County facilities function between 8:00 a.m. and 5:00 p.m., Monday thru Friday, and that certain inconveniences will be encountered by Contractor. The work shall be planned and executed so that these are kept to a minimum. As the work is approaching 90% completion, a preliminary punch list shall be made and corrections done. Before the final inspection, a final punch list shall be developed, and all corrections made and recorded, before the final walk through is made by the County. Any defects, deficiencies found in the material, equipment, workmanship, or project completion, shall be replaced, repaired or finished before final payment.

11. SUBCONTRACTS - The Contractor shall be responsible for the coordination of the trades, subcontractors and material suppliers engaged upon the work. Nothing contained shall be construed as creating a contractual relationship between any subcontractor...
and the County. The Contractor shall cause appropriate provisions to be inserted in all subcontracts to bind subcontractors to the Contractor on the same terms of the Contract Documents as the Contractor is bound to the County. The County reserves the right to approve all subcontractors prior to award of the Agreement.

12. EMPLOYEES – Prior to start of the work, the Contractor shall provide County with the names and driver license numbers of all Contractor or subcontractor employees who will work at the project site. The County may conduct a background check if it determines that to be appropriate. The Contractor will dismiss from the work any employee for which the County has a reasonable belief should not be working at the project, due to personal or other reasons.

13. SUPERVISION BY CONTRACTOR - The Contractor shall keep on the work continuously a competent superintendent and assistant who shall be satisfactory to the County. The superintendent shall be qualified to represent the Contractor during all times when the Contractor is not present; and all orders or directions issued to the superintendent by the County shall be as binding as if given to the Contractor personally. Both the Contractor and the superintendent shall cooperate to provide efficient and complete supervision over all phases of the work. The supervision of the County shall not lessen the responsibility of the Contractor to furnish supervision, nor shall it relieve the Contractor of responsibility for the correction of subsequently discovered defects.

14. DETAIL DRAWINGS AND INSTRUCTIONS - The County will furnish to the Contractor, with reasonable promptness, such further detailed explanations, instructions and drawings as may be necessary for the proper execution of the work. In giving such additional instructions, the County shall have the authority to make minor changes in the work not involving extra cost, and not inconsistent with the intent of the Contract Documents. The Contractor shall not proceed with any portion of the work unless Contractor is in possession of plans and information necessary for proper execution of the work. The execution of the work by Contractor, as specially detailed or explained, without a written change order signed by the County, shall constitute acceptance by the Contractor of such information as being in conformity with the Contract Documents and without additional cost to County.

15. DRAWINGS, PLANS AND SPECIFICATIONS - The Contractor shall keep on the work site a copy of the drawings, plans and specifications, in good condition, which shall always be available to the County.

16. DELAYS AND EXTENSION OF TIME - If the Contractor is delayed at any time in the progress of the work by any causes beyond the Contractor's control, and which could not have been reasonably anticipated, the time of completion may be extended for such time as the County may decide. If this occurs, prompt claim shall be made by Contractor to the County in writing. Normal seasonal rainfall shall not be considered reason for a time extension.

17. CHANGES IN THE WORK - The County, upon agreement with the Contractor, may order extra work or make changes by altering, adding to, or deducting from the work, the Agreement sum being adjusted accordingly. The Contractor shall not be authorized to comply with such orders without previously obtaining written authority therefore from the County. All such work shall be executed under the conditions of the Agreement, except that any claims for extension of time caused thereby shall be adjusted at the time of ordering such change. The Contractor shall furnish an itemized breakdown of the quantities and prices used in computing the value of any change that may be ordered. If in the opinion of the Contractor any instructions, or notices issued by County involve extra cost above the original contract price, Contractor shall immediately give the County written notice to that effect before proceeding with the work involved. The execution of work without prior submission of such written notice shall constitute the Contractor's acceptance of the work as being within the original contract price.

18. COUNTY’S RIGHT TO TERMINATE THE CONTRACT - If the Contractor should be adjudged as bankrupt, or if Contractor should make a general assignment for the benefit of its creditors, or if a receiver should be appointed on account of its insolvency, or if Contractor should persistently or repeatedly refuse or fail to supply enough properly skilled workers or proper materials, or if Contractor should fail to make prompt payment to subcontractors or for materials or labor, or persistently disregard laws, ordinances or the instructions of the County, or otherwise committed a material breach of the Contract, then the County, may, after giving the Contractor 10 days written notice, terminate the Agreement and take possession of the premises and of all materials, tools and appliances and finish the work by whatever means County may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the work is finished. If the unpaid balance of the contract price shall exceed the expense of finishing the work, such excess shall be paid to the Contractor. If such expense shall exceed the unpaid balance, the Contractor shall pay the difference to the County. If the construction of the project herein is damaged, which damage is determined to have been proximately caused by an "Act of God" in excess of 5% of the contract amount, provided that the work damaged is built in accordance with applicable building standards and the Contract Documents, then the County may terminate the Agreement.

19. PAYMENTS WITHHELD - The County may withhold or nullify the whole or part of any request for payment as may be necessary to protect the County from loss on account of: defective work; claims filed or reasonable evidence indicating probable filing of claims; failure of the Contractor to make payments properly to subcontractors or for material or labor; a reasonable doubt that the work can be completed for the balance then unpaid; damage to another contractor or default of the Contractor under the terms of the Agreement.

20. CONTRACTOR AND SUBCONTRACTOR INSURANCE - The Contractor shall not commence work until it has obtained all the required insurance and satisfactory proof of such insurance has been submitted to the County and said insurance has been
COUNTY OF RIVERSIDE

GENERAL CONDITIONS - PUBLIC WORKS

approved to and approved by the County. Except for worker's compensation insurance, the County shall be named as an additional insured and be furnished 30 days written notice prior to cancellation. The Contractor shall not allow any subcontractor to commence work on its subcontract until the insurance required of the subcontractor has been obtained. Insurance carriers must be California admitted, with a minimum of AM Best Rating of A-V (5).

A. Worker's Compensation Insurance. The Contractor shall procure and maintain during the life of this contract, worker's compensation insurance for all its employees engaged in the work. The Contractor shall require the subcontractor to provide worker's compensation insurance for all its employees to be engaged in the work, unless such employees are covered by the Contractor's worker's compensation insurance.

B. Contractor's Public Liability and Property Damage Insurance. The Contractor shall procure and shall maintain, during the life of its contract, Contractor's Public Liability Insurance in an amount not less than $1,000,000 combined single limit coverage.

C. Subcontractor's Public Liability and Property Damage Insurance. The Contractor shall require each subcontractor to procure and maintain, during the life of its subcontract public liability and property damage Insurance with minimum limits equal to one-half the amounts required of the Contractor.

D. Scope of Insurance and Special Hazards. The insurance required under subparagraphs B and C hereof shall provide adequate protection for the Contractor and its subcontractors against damage claims which may arise from operations under this contract, whether such operations be by the insured or by anyone directly or indirectly employed by him and, also against any special hazards which may be encountered in the performance of this contract as such hazards are specified in the Contract Documents.

E. Fire Insurance. The Contractor shall have in effect and maintain fire insurance, with extended coverage endorsements, upon the property to 100% of the insurable value thereof, including items of labor and materials (whether in or adjacent to the structure), materials in place or to be used as part of the permanent construction (including surplus materials), protective fences, temporary structures, miscellaneous materials and supplies incidental to the work. Contractor shall keep each structure fully insured, without additional cost to the County, until final inspection and acceptance of all work.

21. METHOD OF PAYMENT – Unless otherwise stated, payments to the Contractor shall be made monthly and upon final completion of construction as follows: The Contractor shall present a payment request statement to the County on the first day of each calendar month, or upon final completion of the work showing the percentage of the work completed. The statement shall include the value of all labor expended upon and materials incorporated into the work. It shall also include the value of materials to be incorporated into the work which have been delivered and satisfactorily stored on the site, as determined and approved by the County. Payment shall be made to the Contractor by the County upon presentation to the County of a signed certificate issued by the Contractor in the amount of 90% of the value of the labor expended upon and materials incorporated into the work and 75% of the value of the materials delivered and satisfactorily stored on the site. Said payments shall be based upon the total Agreement price and only such labor and materials therein required. The final 10% of the contract price shall be paid 35 days after the recording of the Notice of Completion. Upon receipt of a payment request, the County shall review the request as soon as practicable for the purpose of determining that the payment request is proper. A returned request for payment shall be accompanied by a document setting forth the reasons why the payment request is not proper.

22. WAGES AND HOURS - The County in accordance with the Labor Code has determined that the minimum wages paid on this project shall not be less than those set forth in the Notice Inviting Bids. Any class of laborers and mechanics (including apprentices) not listed in the schedule which will be employed on this work, shall be classified or reclassified, in accordance with the schedule. While the wage rates shown are the minimum rates required to be paid, this is not a representation that labor can be obtained at these rates. It is the responsibility of bidders to inform themselves as to local labor conditions and prospective changes or adjustments of wage rates. No increase in the price shall be allowed or authorized on account of the payment of wage rates in excess of those required. The Contractor shall post at appropriate conspicuous points at the site of the project a schedule showing all determined minimum wage rates for the various classes of laborers and mechanics to be engaged in the work and all deduction, if any, required by law to be made from unpaid wages actually earned by the laborers and mechanics engaged.

Certified payroll is required. The Contractor and every subcontractor shall keep an accurate record showing the name, occupation, actual hours worked, and actual per diem wages paid to each worker employed in connection with the work. The records shall be kept open at all reasonable hours to the inspection of the County and the Division of Labor Law Enforcement.

23. APPRENTICEABLE OCCUPATIONS - The Contractor shall be responsible for compliance with all applicable Labor Code requirements, including but not limited to Section 1777.5 for all apprentice-able occupations on projects involving $30,000 or more.

24. DEPOSIT OF SECURITY - In accordance with Public Contract Code Section 22300 and other applicable law, the Contractor may substitute securities for any monies withheld to insure performance of the work.

25. COMPLETION OF WORK - The Contractor shall promptly notify the County when construction is complete, to enable the County to make its final inspection to confirm if the work is completed.

26. CORRECTION OF WORK AFTER FINAL PAYMENT AND WARRANTY - Neither the final certificate, final payment, or any provision in the Contract Documents shall relieve the Contractor of responsibility for faulty materials or workmanship, and Contractor shall remedy any defects and pay for any damage to other work resulting therefrom, which may be discovered up to
27. **SUBSTITUTIONS OF MATERIALS AND EQUIPMENT** - Materials and equipment, including specially designated makes, must be furnished as specified except when equals are approved by the County in advance in writing.

28. **BRAND OR TRADE NAME, SUBSTITUTION OF "EQUALS"** - Whenever any material, product, thing or service is specified by brand or trade name, the specified name shall be deemed to be followed by the words "or equal" (except where the product is designated to match others in use on a particular public improvement; either completed or in the course of completion). As a part of its bid any bidder may include a request for a substitution of an item "equal" to or specified by brand or trade name. Within 35 calendar days after award of the Agreement, the Contractor may submit to the County data substantiating such a request; otherwise the request shall be deemed to have been withdrawn. Such submission shall include data showing the equality, the reasons for making the request, and the difference, if any, in cost to the Contractor. The County shall promptly investigate the request and make decision as to equality of the requested substitute. Unless the request is granted by the County, the substitution shall not be permitted. No changes in the Agreement price will be allowed.

29. **MATERIALS, WORKMANSHIP** - All materials used by Contractor, unless otherwise specified, shall be new, of the types and grades specified, and the Contractor shall, if requested, furnish evidence satisfactory to the County that such is the case. All workmanship shall be of the best quality and all workmen shall be suitably skilled in the work which they perform.

30. **DEFECTIVE WORK AND MATERIALS** - The Contractor shall promptly remove from the work all materials determined by the County as failing to conform to the requirements of the Contract Documents, whether incorporated in the work or not, and the Contractor shall promptly replace and re-execute its work in accordance with the requirements and without additional cost to the County. If the County deems it ineffective to correct work not in accordance with the requirements, the difference in value together with a fair allowance for reduced value shall be deducted from the sum be paid the Contractor.

31. **CLIMATIC CONDITIONS** - The Contractor shall provide and maintain heat, fuel, materials, and services necessary to protect all work and materials against change or damage from extreme heat, cold, dry winds, or dampers.

32. **CONTRACTOR’S TITLE TO MATERIALS** - No materials or supplies for the work shall be purchased by the Contractor or by any subcontractor subject to any chattel mortgage or under a conditional sale or other agreement by which an interest is retained by the seller. The Contractor warrants that it has good title to all materials and supplies for which it accepts partial payment.

33. **EMERGENCIES** - In an emergency affecting the safety of life or of the work or of adjoining property, the Contractor shall take all necessary and proper steps to prevent any threatened loss or injury. If practicable, the Contractor shall communicate with the County and shall be guided by the directions and advice of the County. If the character of the emergency is such as to require action with such short limits of time, then the Contractor shall act independently and upon its own responsibility, subject to the direction of the County as soon as it may become practicable.

34. **PROTECTION OF WORK AND PROPERTY** - The Contractor shall at all times safely guard the County's property from injury or loss. Contractor shall at all times safely guard and protect its own work and property from damage.

35. **SAFETY AND ACCIDENT PREVENTION** - Precaution shall be exercised at all times for the protection of persons, including employees, and property. The Contractor shall be solely responsible for the condition of the premises at which the work is performed and for the safety of all persons and property on site during the work, during working and all other hours. The safety provisions of all applicable laws, building and construction codes shall be observed. The Contractor shall maintain sufficient safeguards, such as railings, temporary walks, lights, and similar items to protect against the occurrence of accidents, injuries, damage or hurt to any person or property and shall also be responsible for all liability or damage for failure to comply. The County shall have the right to stop the work at any time because of any condition it deems may be unsafe.

36. **COMPUTING CHANGE ORDERS** -

A. **LABOR** - The costs of labor will be the actual cost for wages prevailing locally for each craft or type of workers at the time the extra work is done, plus employer payments of payroll taxes, and insurance, health and welfare, pension, vacation, apprenticeship funds, and other direct costs resulting from Federal, State, or local laws as well as assessment or benefits required by lawful collective bargaining agreements. The use of a labor classification which would increase the extra work costs will not be permitted unless the Contractor establishes the necessity for such additional costs. Labor costs for equipment operators and helpers shall be reported only when such costs are not included in the invoice for the equipment rental.

B. **MATERIALS** - The cost of materials reported shall be at invoice or lowest current price at which such materials are locally available and delivered to the job site in the quantities involved, plus sales tax freight and delivery.

C. **TOOL AND EQUIPMENT USE** - No payment will be made for the use of tools which have a replacement value of $100.00 or less. Regardless of ownership, the rates to be used in determining equipment use costs shall not exceed listed rates prevailing locally at equipment rental agencies, or distributors, at the time the work is performed.

D. **OVERHEAD, PROFIT, AND OTHER CHARGES** - The mark-up for overhead and profit on work added to the contract shall be...
37. SEPARATE CONTRACTS - The County reserves the right to award other contracts in connection with the project, which may proceed simultaneously with the execution of this project. The Contractor shall coordinate operations with those of other contractors.

38. COUNTY’S RIGHT TO DO WORK - Should the Contractor, at any time during the process of the work, fail or refuse to furnish enough materials and/or workers to properly prosecute the work, the County, after giving 10 days written notice to the Contractor may, without prejudice to any other rights, proceed to furnish the materials and workers necessary to proceed with and/or complete the work, and may deduct such cost, together with reasonable expenses from any amounts then due or which may become due to the Contractor.

39. USE OF PREMISES AND CLEANING - The Contractor shall at all times maintain the entire premises under its control in an orderly and clean condition. The Contractor shall at all times protect floors, walls and other surfaces by appropriate means. The Contractor shall safely store its apparatus, materials, supplies and equipment in such a neat manner, in an area designated by the County. The Contractor shall frequently clean up during each work day all refuse, rubbish, scrap materials, dust and other result from Contractor’s operation, so that the site shall continuously present a neat, orderly and workmanlike appearance. All indoor area shall be vacuumed clean of all dust or other materials at the end of each work day. Before final payment, Contractor shall: remove all surplus material, false-work, temporary structures and fences, including foundations, and debris of every nature resulting from its operations and put the site in a neat orderly condition; thoroughly clean and leave reasonably dust-free all finished surfaces on the interior of all buildings; and wash and polish all glass, including the removal of all paint spatters and other defacements. The Contractor shall not use any County trash dumpsters or other County trash disposal means. The Contractor shall supply its own method to remove trash or debris from the work site and to a legal dump site.

40. OCCUPANCY BY THE OWNER - The County shall have the right to occupy the building or use the improvements prior to the completion of the entire work, and such occupancy or use shall not operate as an acceptance of any part of the work.

41. LIENS - The Contractor agrees that, at any time upon request from the County, Contractor will submit a sworn statement setting forth the work performed or material furnished by subcontractors and material suppliers, and the amount due and to become due to each, and that before the final payment the Contractor will submit to the County a complete set of documents showing what payments have been made for materials and labor used in connection with the work.

42. ASSIGNMENT OF CLAIMS - In submitting a bid the Contractor or any subcontractor or supplier do offer and agree to assign to the County all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services, or materials pursuant to the Agreement. This assignment shall be made and become effective at the time the awarding body tenders final payment to the Contractor, without further acknowledgment by the parties.

43. PATENTS, ROYALTIES AND TAXES - The Contractor shall hold the County harmless from liability of any nature, including costs and expenses, for or on account of any patented or unpatented article, appliance, or device protected by patent used in the performance of the work, and shall defend the County against all suits or claims for infringement of any intellectual property right.

44. ASSIGNMENTS - The Contractor shall not assign the whole or any part of this Agreement without the written consent of the County and all sureties executing bonds on behalf of the Contractor in connection with the work.

45. EQUAL OPPORTUNITY CLAUSE - The Contractor and its subcontractors agrees not to discriminate in their recruiting, hiring, promotion, demotion or termination practices on the basis of race, religious creed, national origin, ancestry, sex, age, or physical handicap in the performance of the work and to comply with the provisions of the State Fair Employment Practices as set forth in Part 4.5 of Division 2 of the California Labor Code; the Federal Civil Rights Act of 1964, as set forth in Public Law 88-352, and all amendments; Executive Order 11246; and all administrative rules and regulations issued pursuant to such acts and order.

A. Transactions of $10,000 or Under:
   1. Contracts and subcontracts not exceeding $10,000 are exempt from their requirements.
   2. No Contractor or subcontractor shall procure supplies and/or services in less than usual quantities to avoid applicability of these requirements. With respect to contracts and subcontracts for indefinite quantities, these requirements shall apply unless it is determined by the Owner that the amount to be ordered in any one year under such contract reasonably will be expected not to exceed $10,000.
B. Transactions in Excess of $10,000, but Not More Than $50,000:
   1. Contractor shall certify that it has in effect an affirmative action plan and agrees to comply with all State and Federal laws and regulations concerning Fair Employment Practices.
   2. The Contractor shall maintain a written copy of its affirmative action plan and will furnish a copy to the County upon request. The County reserves the right, to require the Contractor to complete an affirmative action compliance report furnished by the County setting forth definite goals and timetables and indicating progress in meeting the goals.

C. Transactions of $50,000 or More:
   1. Contractor has fifty or more employees it shall develop and submit to the County within thirty days of award, a written affirmative action compliance program including definite goals and timetables with proposed dates of compliance. The Contractor shall make the same requirement of each subcontractor who has fifty or more employees and a subcontract of $50,000 or more. Contractor shall include in its affirmative action compliance program a complete table of its employee's job classifications. This table must include, but need not be limited to, job titles, duties and rates of pay.
   2. For the purpose of determining the number of employees, the average of the Contractor's or subcontractor's employees for the twelve month period immediately prior to award, or the total number of employees Contractor or subcontractor will have on all jobs or sites when performing this work, whichever is higher, shall be used.

D. Contractor agrees that he will permit access to its records of employment advertisement, application forms and other pertinent data and records by the County or its designee and any State or Federal agency having jurisdiction for the purposes of investigation to ascertain compliance with the Fair Employment Practices.

E. The County shall have the right to assign an affirmative action representative to monitor the conduct of the Contractor and subcontractors. The affirmative action representative shall have the right to enter the construction or manufacturing site for the purpose of obtaining information from persons performing work on the project, providing such inspection shall not in any way interfere with the progress of the work.

F. Special Requirements for Federal Assisted Construction Contracts: The Contractor agrees to incorporate in all subcontracts the provisions set forth in Chapter 60-1.4(b) of Title 41 published in Vol. 33 No. 104 of Federal Register dated May 28, 1968.

46. PUBLIC WORKS PROJECT CLAIMS RESOLUTION – The Contractor is referred to Public Contract Code Sections 20104 – 20104.6 for mandatory claims resolution procedures applicable to public works projects for claims of $375,000 or less. Claims must be in writing and filed before the date of final payment. Specific deadlines are stated for exchange of documents between the parties; and mandatory "meet and confer" conferences are required.
